Nishat

Nishat Group is one of Pakistan's most prominent business conglomerates, with a diverse presence across textiles, cement, banking and financial services, insurance, power generation, paper products, hospitality, real estate development, automotive, agriculture, dairy, and aviation. Guided by strong values of trust, innovation, and progress, the group has played a vital role in shaping Pakistan's economic landscape. Bringing Omoda & Jaecoo to Pakistan reflects Nishat Group's vision of introducing world-class brands and redefining the future of mobility in the country.

OMODA | JAECOO

OMODA & JAECOO are redefining the future of intelligent and electrified mobility. With distinctive design, advanced engineering, and a deep commitment to sustainability, the brands go beyond vehicles to inspire smarter, more connected lifestyles. Headquartered in Wuhu, China, OMODA & JAECOO now operate across 44 countries, including key markets in Latin America, the Middle East, South East Asia, and now Pakistan. Guided by the global LOHAS (Lifestyles of Health and Sustainability) philosophy, OMODA & JAECOO continue to drive progress with purpose, shaping a cleaner, smarter future for mobility.

EXTERIOR

CHARGED TO STAND OUT

Every line of the JAECOO J5 EV is designed to make a bold first impression. Its distinctive front look and sleek LED headlamps create a confident road presence, while sculpted contours and refined proportions bring a modern, sophisticated character to its design. The compact yet athletic stance, complemented by distinctive alloy wheels, strikes the perfect balance between style and everyday versatility. From city streets to open roads, the J5 EV's exterior is designed to stand apart, putting you in charge wherever you go.

Aerodynamic Features

Sleek, smart, and efficient. The front design and active grille shutter work together to reduce drag and maximise range.

LED Lighting System

Full LED headlamps and daytime running lights deliver enhanced visibility, a contemporary look and a bold road presence.

Striking Alloy Wheels

18" aerodynamically-styled alloy wheels that accentuate the vehicle's bold, dynamic presence.

Power-Operated Tailgate

A power-operated tailgate with hands-free access, designed for everyday convenience and a premium look. Sharp rear body lines add a sleek, dynamic finish.

Crystal Array Tail Lights

A seamless full-width "Crystal Array" LED tail light bar defines the rear, creating a striking visual signature day or night.

Panoramic Moon Roof

The expansive 1.45 m² glass roof provides an open view, inviting daylight and nature into the space.

INTERIOR

Ergonomic Steering & Cruise Control

A leatherette-wrapped multifunction steering wheel offers a confident grip, integrated controls, and effortless access to key functions, complemented by cruise control.

13.2 Inch Intelligent Display

A high-resolution touchscreen with Apple CarPlay, Android Auto and smart voice control keeps every drive connected and effortless.

Dual-Zone Climate Control

Automatic temperature control and rear air vents keep every passenger comfortable throughout the journey.

Sing Along on Every Drive

The J5's built-in karaoke mode blends vocals with background music and reverb effects. With Bluetooth connectivity, turn any track into a backing track and make every drive more fun.

Smart Charging Solutions

A fast wireless charging pad powers your phone without cables, while USB A and Type C ports in both front and rear rows keep all passengers charged throughout the drive.

Luxury Seating

Premium PVC leather seats with power adjustment offer supportive comfort, while ventilated front seats add a cool, relaxing touch to every journey.

Best-In-Class
1.45m² Panoramic Moonroof

480L Standard
1180L Expanded Trunk

Generous trunk space offers 480L of everyday practicality, expanding to 1180L with the rear seats folded for bigger journeys.

Spacious Front Trunk

A generous 35L front trunk provides extra storage for essentials, adding convenience to daily commutes and weekend adventures.

CHARGING

The JAECOO J5 EV has the ability to recharge from 30% to 80% in just 28 minutes**, giving you confidence in your everyday drive. Plus, with a 11 kW home charger offered free of cost (FOC), you can enjoy the convenience of charging at home.

FREE 11kW CHARGER

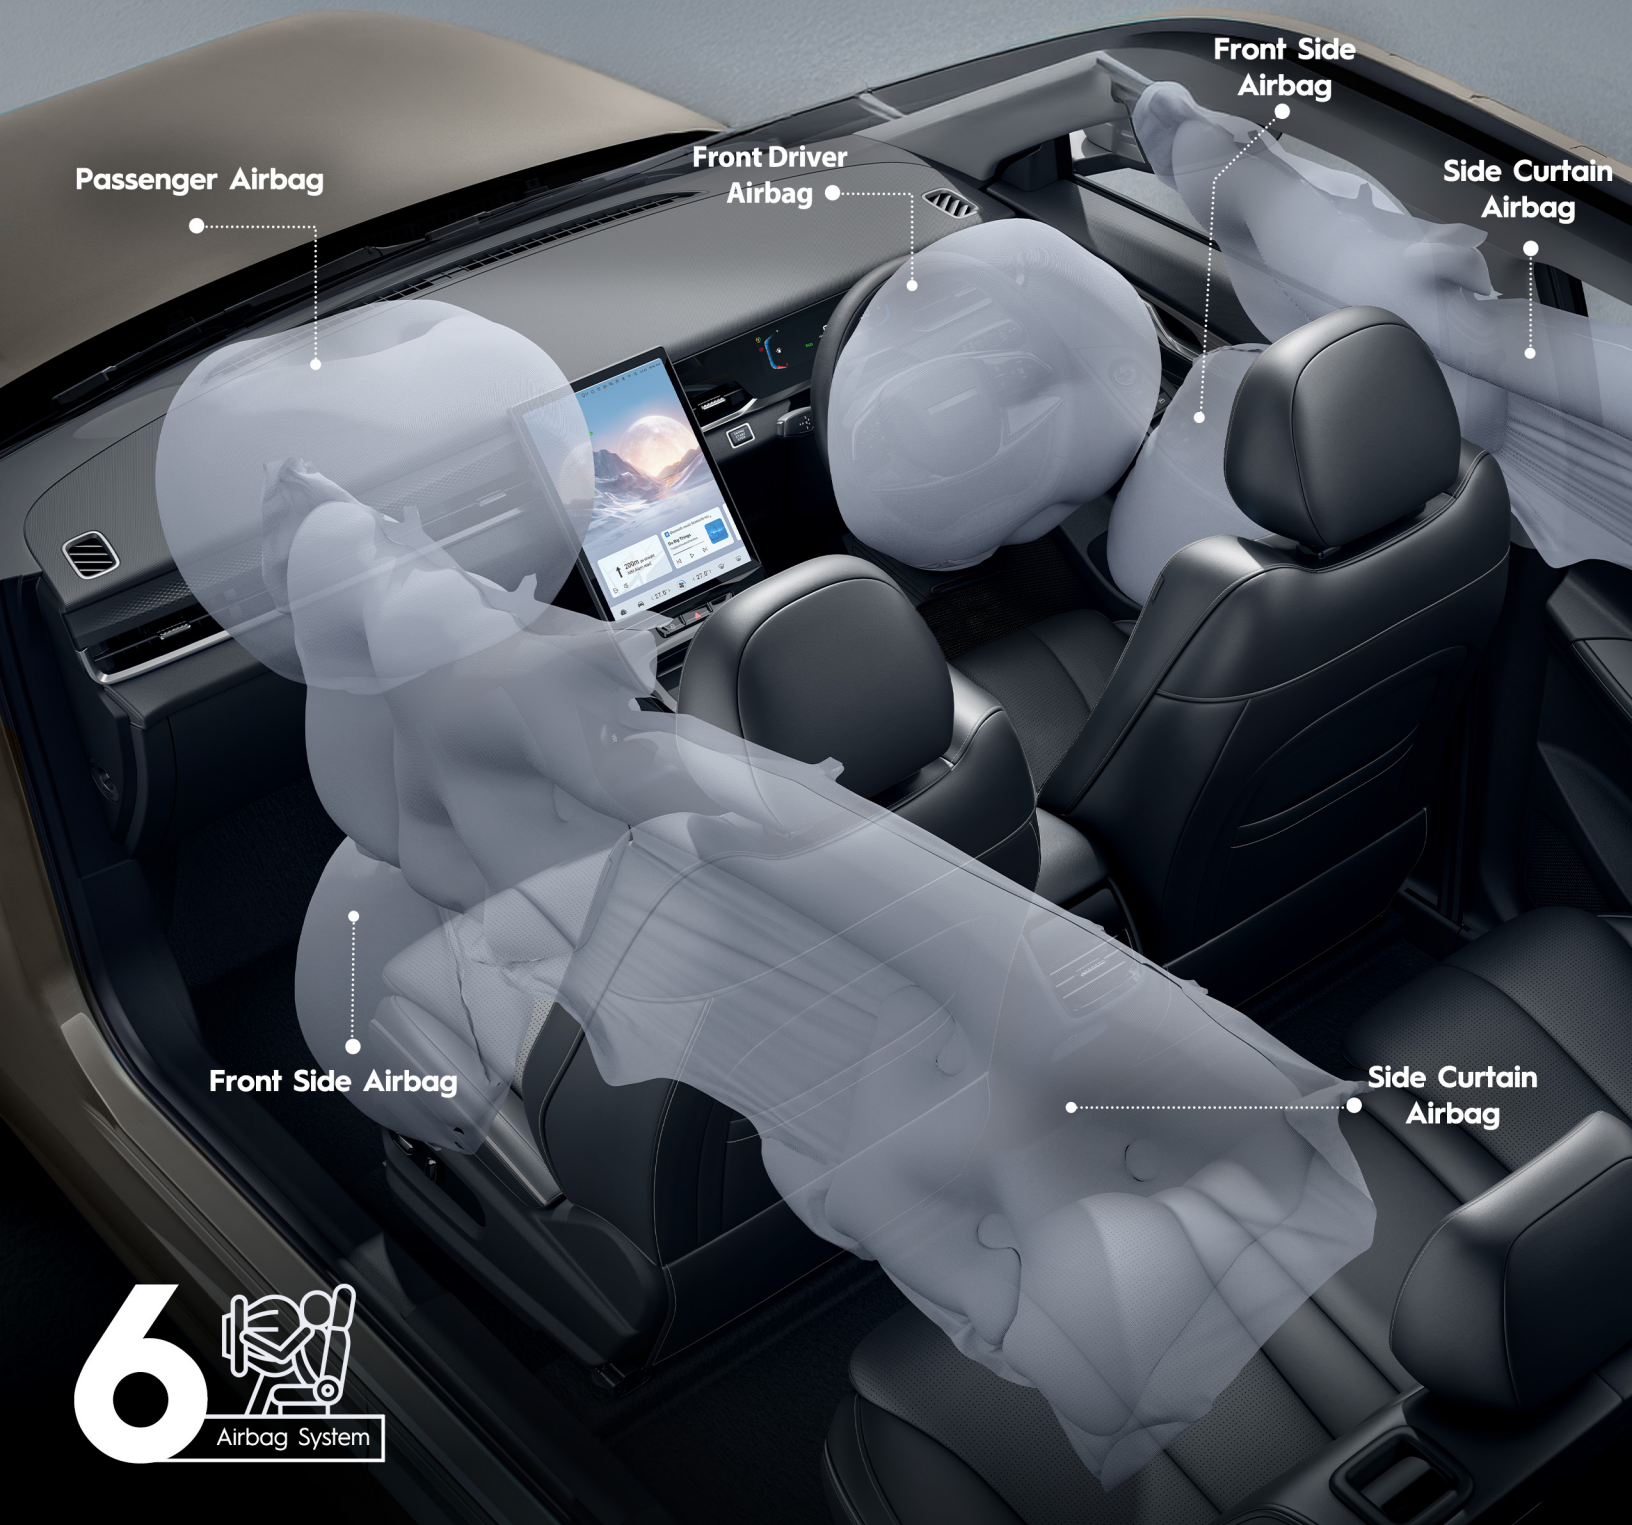

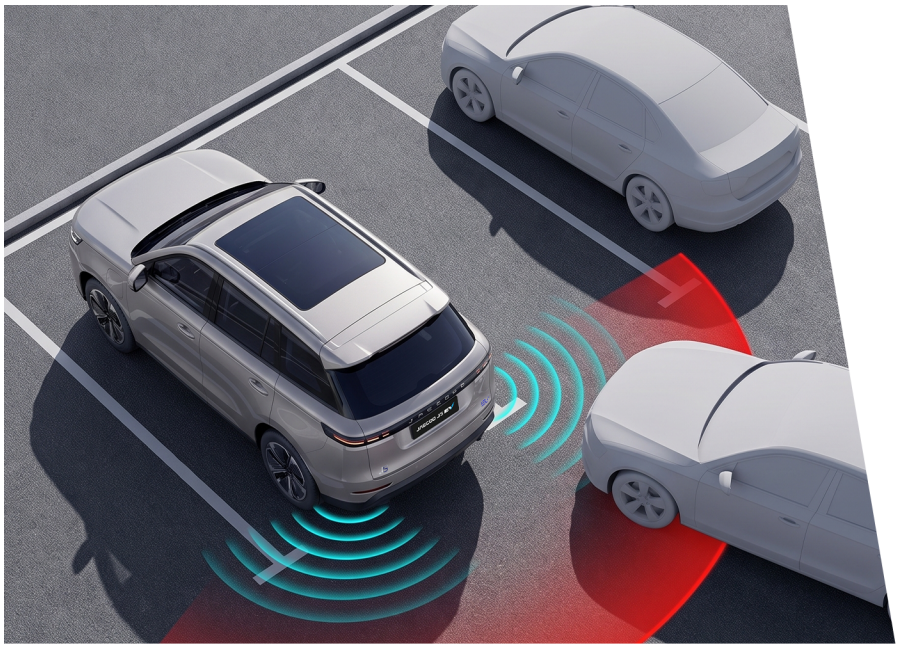

SPARE TYRE

Protection Built Into Every Drive

Advanced 6-Airbag Safety System

The JAECOO J5 EV features 6 airbags, including front, side and curtain airbags, designed to provide protection from multiple directions in the event of a collision.

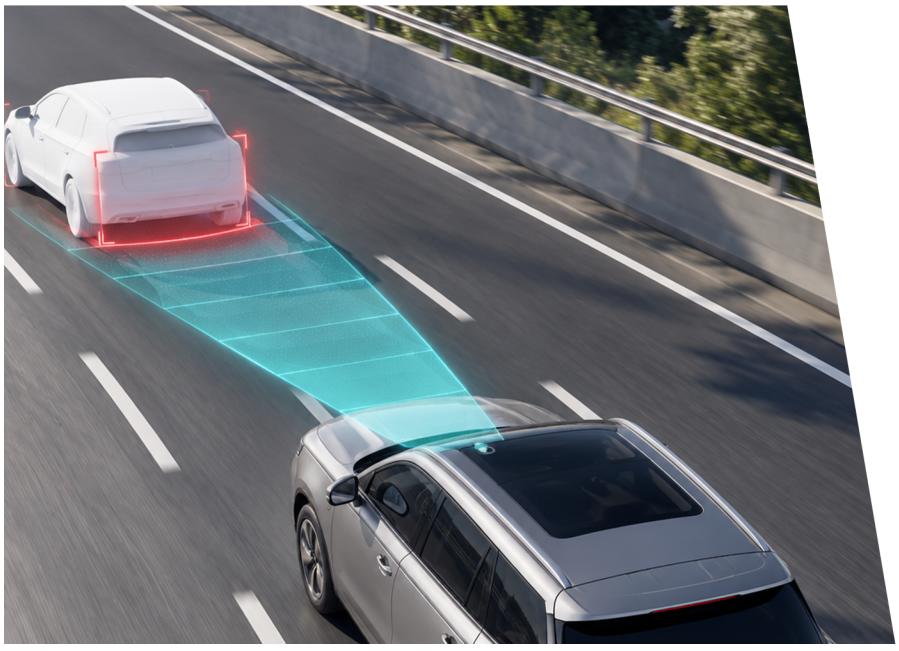

Rear Cross Traffic Assist

Detects approaching vehicles or objects while reversing and provides timely warnings for safer parking and tight maneuvers.

Intelligent High Beam Control

Automatically switches between high and low beams based on traffic and road conditions for clear, glare-free visibility.

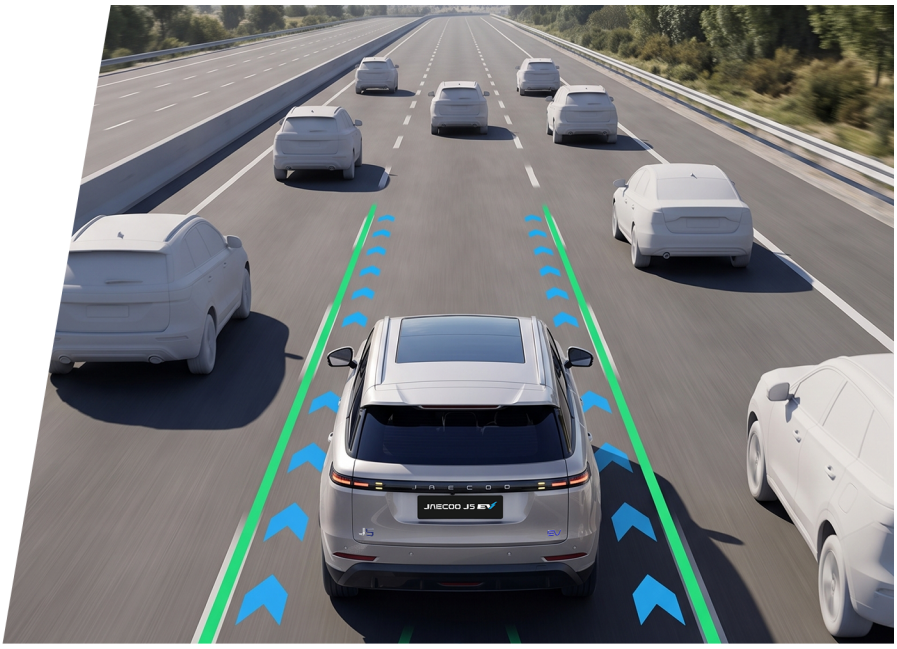

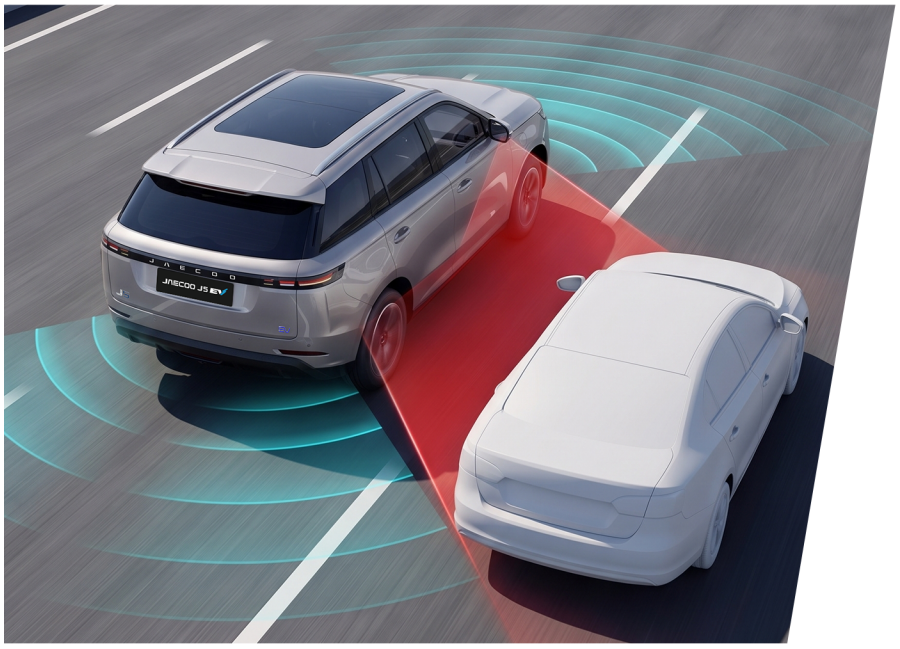

Adaptive Cruise Control

Automatically adjusts speed to maintain a safe distance from the vehicle ahead, ensuring a smooth and comfortable drive.

Forward Collision Warning

Detects potential hazards ahead and alerts the driver early, helping improve reaction time and reduce the risk of frontal impacts.

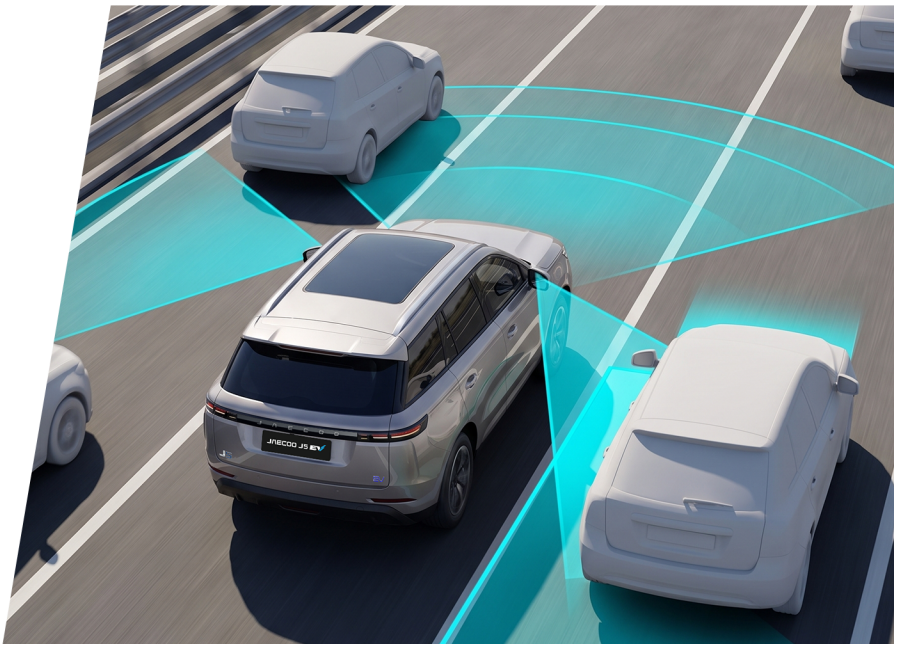

Blind Spot Detection

Side sensors monitor nearby lanes and provide visual alerts when a vehicle enters the blind spot, helping make lane changes safer.

Lane Departure Warning

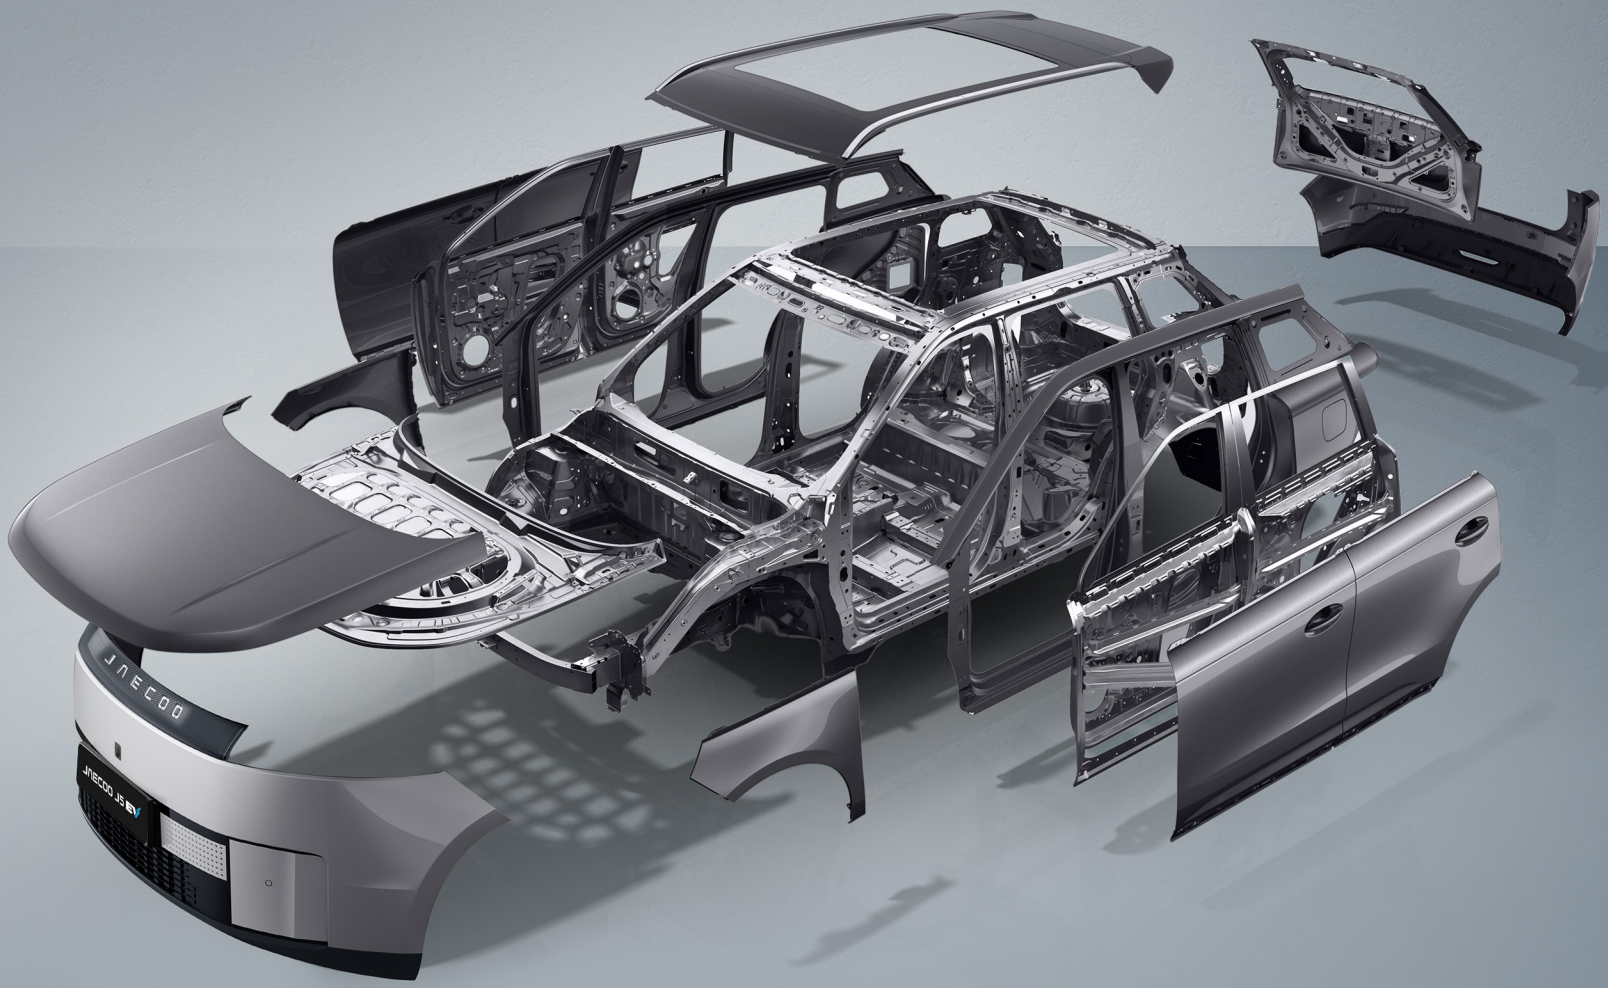

Warns you when drifting out of a lane unintentionally and actively assists in steering back.

STRENGTH IN EVERY LAYER

Rigid Body Structure for Enhanced Safety

The JAECOO J5 EV is built on a rigid body structure designed to help absorb and disperse impact forces more effectively. High strength sections work together to support cabin integrity, contributing to a safer and more stable drive in a wide range of conditions.
